

[FACILITIES OPERATIONS](#)

[Building Finishes/Sign Shop:](#)

- Carpenter shop is forming and pouring concrete at Fraternity Row and work orders.
- Carpenter shop pumped and raised concrete sidewalks at A&A.
- Sign shop is working on many room, building, and occupancy signs and name tags.
- Paint shop is removing graffiti in A&A and around campus. .

[Building Services:](#)

- Arena/Athletics crews are working the American Idol concert coming up.
- Arena/Athletics crews are cleaning & stocking the stadium for football season.

[Recycling:](#)

- We just hired 2 new student workers to help with composting: Adrian Moore and Carson McKinney. They took the spots previously occupied by Stephen "Muscles" Palmer and Jon Carleton.
- Assembling and delivering our re-use packs for incoming freshmen living on campus- they'll all get a reusable bag, reusable bottle, reusable spork, and a reusable metal straw.
- Delivering individual recycling bins to the sorority houses. We designed a unique label for each sorority using their name, patterns and colors.
- Presenting recycling and sustainability information to all the incoming RAs in Housing.
- Labeling and delivering the freezer compost bins going into the apartment-style residence halls.
- Designing and ordering shirts for football volunteers.
- Hiring a sustainability student worker.
- Adding trash cans and recycling bins inside new Music and Tickle buildings.

[Landscaping Services:](#)

- Still sprucing up campus for start of fall semester
