## This year's Big Orange Family Campaign will run from February 5 to March 2.

The campaign will push to enhance a culture of philanthropy and family among faculty and staff through increasing participation as donors. As staff there is a solid history of giving back in many ways, including financial support. The university's collective support is essential to show corporations, foundations and individuals that faculty and staff believe in the mission and vision of this university. Gifts and pledges will make a strong statement to the region and our alumni that the university is worthy of support.

If you have made a gift to any fund at UT since July 1, 2017, THANK YOU! You have already participated in the Big Orange Family Campaign and will receive a special thank you postcard through campus mail.

If you have not contributed, a team leader for your unit will be coming by to talk to you about the Big Orange Family Campaign in the coming weeks. You can also give online or change your payroll deduction anytime at [giving.utk.edu/family](http://giving.utk.edu/family).

The first scholarship will be awarded for the 2018-2019 academic year.

**The Chuck Thompson Outstanding Employee Award** - Mr. and Mrs. Richard C. Thompson, son and daughter-in-law of a former Assistant Director of the Facilities Services Department, have established a \$15,000 endowment with the University.
