FACILITIES OPERATIONS

Administration:

ERC meetings, meetings, scheduling meetings, utility billing

Building Services:

We're very happy to announce that the Building Services Career Path (formerly known as Career Ladder) has been finalized and approved. The Custodial Certification Program, which is a custodial training program, has also been approved. More details to come.

Recycle:

For the third year, the University of Tennessee, Knoxville, is challenging the University of Florida Gators to see who can recycle the most. UT won the first year, but not the second. The Vols want a tie-breaker. Save up that paper for the Purge Party just before spring break

Building Finishes:
