Facilities Services Weekly

February 19, 2018

This year's Big Orange Family Campaign will run from February 5 to March 2.

The campaign will push to enhance a culture of philanthropy and family among faculty and staff through increasing participation as donors. As staff there is a solid history of giving back in many ways, including financial support. The university's collective support is essential to show corporations, foundations and individuals that faculty and staff believe in the mission and vision of this university. Gifts and pledges will make a strong statement to the region and our alumni that the university is worthy of support.

If you have made a gift to any fund at UT since July 1, 2017, THANK YOU! You have already participated in the Big Orange Family Campaign and will receive a special thank you postcard through campus mail.

If you have not contributed, a team leader for your unit will be coming by to talk to you about the Big Orange Family Campaign in the coming weeks. You can also give online or change your payroll deduction anytime at giving.utk.edu/family.

Facilities Services Specific Funds

Our department has four funds that you can give to through this campaign:

The Facilities Services Student Assistant Scholarship Fund - The newly formed Facilities Services Student Assistant Scholarship Fund benefits current student assistants working within our department. The fund is meant to provide a scholarship opportunity for students who are receiving real world experience at Facilities Services in their chosen field of study. The first scholarship will be awarded for the 2018-2019 academic year.

The Chuck Thompson Outstanding Employee Award - Mr. and Mrs. Richard C. Thompson, son and daughter-in-law of a former Assistant Director of the Facilities Services Department, have established a \$15,000 endowment with the University. The income from this endowment will be used to make two (2) annual cash incentive awards for non-exempt employees of the Facilities Services Department in the name of Charles F. (Chuck) Thompson.

The Bob Evans Memorial Scholarship Fund - This scholarship is open to candidates who are children, grandchildren, step-children or step-grandchildren of individuals who are currently employed or retired from the UT Knoxville Facilities Services Department.

The John Parker Scholarship Endowment - Mrs. Martha Parker has established the John C. Parker, Sr. Memorial Scholarship Endowment in memory of Mr. Parker. The scholarship is given to a student who is a legal dependent of a Facilities Services employee (current, retired, or deceased).

You can designate your donation to one of these funds by writing the fund's name on your donation card or by entering the fund's name online at the payroll deduction website. Please remember that if you do not specify a fund with your donation card then your gift will go to a general UT fund.

If you have any questions about the campaign please contact Brooke Krempa at 214-7662 or krempa@utk.edu. More information can also be found at the Big Orange Family Campaign website at giving.utk.edu/family.
