

Due to the short week last week, most shops are still busy working on the same jobs. However, there are a few things to announce.

- Parking Services should be sending out emails this week concerning parking pass renewals. Veronica Huff is working on a schedule for the computer lab for those who do not have access to a computer or need assistance. Veronica will send out a schedule with more information later this week for all shifts.
- If you haven't already done so, please remember to turn in all old radio's to Brock Ellis as soon as possible in room 208B. There is a box in his office for you to leave the radio and a label to identify the owner/user.
- Please try to get your updated phone number /radio number list to Tracy Ridings as soon as you can.
- The search committee for the Communications Coordinator interviewed applicants last week. These applicants will be narrowed down this week and the final 5 will be interviewed again by Director, Kevin Garland.
- **Congratulations** to all those who graduated the Supervisor Training program and received their Supervision Certification:

● **THANK YOU!!!!**

-**Thank You** to Keisha Gracius, Abby Aberdeen, and Charles Farley for all their hard work coordinating the Facilities Services Pic-Nic!! A great time was had by all! Awesome Job Guys!!!

-**Thank You** to Brock Ellis & Jim McCarter for all their hard work getting the new radio's issued. This was not an easy task with so many employees, but all went well and radios are now in-use.

-The Training Department would like to thank everyone who helped out during the picnic (Building Finishes, RRT, Recycling, Landscape Services, Sign Shop, Electrical Services & Plumbing Services). Also Congratulations to all the winners!!!

Have a Happy Week!
