

### ADMINISTRATION

#### Administrative Services:

- Business as usual as the new FY begins.
- A special Thank You goes out to Sherrill Cox for all her hard work during year end!!

### FACILITIES OPERATIONS

#### Building Services:

- Building Services has taken over SMC, Lake Ave Day Cares, Hoskins, Burchfield and Neilsen Physics.
- Monday, July 29<sup>th</sup>. Austin Peay and Pasqua Nuclear Eng will be taken over also.
- Music Building Cleaning has begun with service on 3<sup>rd</sup> shift.
- Cleaning up before & after Student Orientation event.

#### Recycling:

- We are consolidating our recycling route for Bottles/Cans/Plastic from Fridays and Mondays to Mondays only. This will allow us to shift our labor to take on other projects.
- We are expanding the compost site an additional 100 feet to the west and moving dirt this week.
- We recycled 680 mattresses from residence halls, finally getting them all shipped out last week

#### Landscaping Services:

- Sprucing up campus for start of fall semester
- Assisting with Fraternity Park new dumpster pads and sidewalk installation
- Renovating landscape at Lake Loudoun Blvd. entrance
- Gearing up to assist with electrical duct bank relocation for Pat Summit Plaza

#### Lock & Key Services:

- Lock & Key is in the middle of tweaking Music with new building issues.
- Getting ready for the Tickle move and of course now we have the space they are all leaving behind—UT on the move!
- Housing has 2 weeks to get all their lock changes in before fall semester to get completed before move in weekend.

#### Rapid Response Team:

- Moved 18 rooms in Nursing recently.
- Getting ready for the Tickle move this week.
- Last week the entire Music Building move was completed. Dennis would like to Thank everyone on his crew for their hard work on this move! THANK YOU ALL!!!!

### ZONE MAINTENANCE

#### Zone Maintenance:

- Zone 1: Finished insulating 300 room a/c units at Humes hall
- Zone 1: About half way through with cleaning the room a/c strainers at Reese.
- Zone 1: Also cleaned lobby a/c coils at Reese and replaced a few bad motors.
- Zone 1: Cleaning the Leslie water heaters at north and south Carrick this week, finished Hess hall last week.
- Zone 1: Swapping out bad a/c units at Hess and Massey.
- Zone 4: Assist contractors with access to roofs for roof replacement at Dunford Hall.
- Zone 5: Finished cleaning cooling towers at James A. Haslam

## Zone Maintenance (continued):

- Zone 5: Assist contractors with fire alarms at SMC
- Zone 6: Working on air handling upgrades in Austin Peay.
- Zone 6: New windows & a new roof at Austin Peay has given the building new life!
- Zone 6: South College is in the process of getting a new copper roof.
- Zone 6: Zone 6 welcomes two new members, Jimmy Brewer and Jimmy Helton, to their team. Both men are transfers from other Facilities Sv shops and Zone 6 is very happy to have them & the experience they bring.
- Zone 9: Assisting with hanging pictures, etc to help Music Building occupants get settled in
- Zone 9: Clean outside of A&A Building and get graffiti off.
- Zone 9: Finish u getting classrooms ready for students to come back at Humanities.
- Zone 9: Starting assisting contractors on the new AC renovations at McClung Tower.
- Foreman Eric Poe has moved to take over Zone 9. And Bill Hutchins is now over Zone 4 & 5.
- Zone Maintenance would also like to make mention that all of the maintenance men appreciate the help they get from all of the shops because they too are the reason things work around here. Keep it up men. People notice!

## COMMUNICATIONS & INFORMATION SERVICES

### Information Services:

- Still working to hook up computers, etc for those that are still moving (Construction Office, Training Office & Clerical Pool).
- Transferring all our security camera responsibilities to the UT Police Dept.
- Still collecting old radios, reprogramming new radios, and website updates.
- We still have about 20 old radios that have not been turned in. PLEASE turn in all old radio's to Brock Ellis as soon as possible.

### Training:

- Arc Flash Training will be held for the next two weeks.

### Sustainability:

- Don't forget to check out the UT Farmers Market every Wednesday from 4-7pm on the Ag Campus.
- Help UT conserve resources and money by reducing energy use during "peak time" from 2:00-8:30pm daily.

### Communications:

- Working on the next issue of the Facilitator.
