ADMINISTRATIVE SERVICES

Central Supply Warehouse:
• The Central Supply Warehouse will be closed for inventory on Thursday, June 29 and Friday, June 30. This will make it necessary for you and others in your area to estimate as closely as possible the items you will need from the warehouse during that period. These items will need to be ordered early enough to be delivered or picked up at 4 p.m. on Wednesday, June 28.
• During these two days, any needs for warehouse stock items that cannot wait until Monday, July 3 will have to be handled via purchasing documents and placed by the shops since the procurement section of Central Supply will be closed during this time as well.
