ADMINISTRATION

Special Projects:
• Collaborating with unit PM Coordinators regarding equipment inventory, PM creation and entry into Archibus.
• Data entry of equipment into Archibus.
• Verifying building equipment previously uploaded into Archibus.
• Entering and scheduling PMs.
• TNAPPA 2017 preparations.

NOTE:
• There have been some minor changes to the Work Request Billing Console. The console is now in page form and you will need to use the filter options as an easier way to search and process your billing console.
• If you have any questions or concerns about how to filter, please do not hesitate to contact the Archibus team.

REMINDERS:
• Please clear cache every morning. OIT is pushing out updates and when you use the clear cache icon, it updates Archibus with the most recent updates.
• If you do not have a clear cache icon for Chrome, please contact Jim McCarter at jvm@utk.edu or Veronica Huff at vhuff@utk.edu.
• Please regularly check email for any notifications from Archibus (leave request approvals/rejections, work requests issued, etc.) or the Archibus Team (outage notices).
