Supervisors will need to notify Amanda Ruelle of all staff allocations using the provided spreadsheets for their responses. These spreadsheets will be emailed to each director today, Monday, May 21. The deadline for this notification is June 14, 2018 at 5 pm.
- Staff members who have a Staff Accessible (handicapped) parking permit will need to visit either the Parking Services office off of Neyland Drive or at Circle Park to renew his/her Staff Accessible parking permit and show his/her Driver License, vehicle registration, and state issued parking placard, even if he/she has done this before. Staff need to show their documents each year to renew their Staff Accessible permit.
- The parking rates will be the same as last year, based on employee salary. Online sales for staff permits will begin July 16th at 10 am. The current parking permits expire July 31, 2018. The new permit year begins August 1, 2018.
