Congratulations to all who were involved in constructing the Early Learning Center on Lake Ave.

## Knoxville News Sentinel recognizes UT & Earth Month

The Knoxville News Sentinel recognized UT's kick off for Earth Month.

Jay Price is pictured arranging bottles as part of a display to show one days trash at the university. The campus generated about 8,565 tons of trash in 2007. UT recycled about 1,000 tons of materials last year, including paper, plastic, aluminum, scrap metal, light bulbs, electronics, hardback books, ink cartridges and batteries.
