

Who: University of Tennessee Stormwater Management

What: Annual Report Public Review

When: November 21, 2016 from 11:00am -12:00pm

Where: International House Board Room (Room Number 112)

Why: The University of Tennessee Stormwater Management continues to develop, implement and enforce a Stormwater Management Program (SWMP) to protect water quality, and to satisfy the appropriate water quality requirements of the Clean Water Act. Prior to submission of the annual report detailing the SWMP activities and overall program effectiveness, the public has the opportunity to review, ask questions and provide comments regarding the SWMP and 2016 Annual Report. The report can be found on the website at Stormwater.utk.edu under MS4 Annual Reports.

Your Campus. Your Water. Your opportunity to be inVOLved.
