## Volunteer First Impressions Contest -

The 2020 Volunteer First Impressions Contest closes on Friday! If you would like to submit a project, please visit <https://tiny.utk.edu/VFI2020>.

## Scholarship Application Deadlines -

The deadline for the Bob Evans Memorial Scholarship and John Parker Scholarship is this Friday, January 31st. For more information, please contact Sam Ledford at [sjones80@utk.edu](mailto:sjones80@utk.edu).

## Helpful Hint for Uniforms -

If you get transferred, don't forget to tag your uniforms before they go into the bin. No need to write your name on the tag (that info is embedded in the barcode). Just write at the bottom of the tag where the uniforms need to start going. For example: "Transfer to Bldg. Serv. in Hodges" It is important to state the shop AND building because some buildings have multiple shops.

The turn-around for this to be completed may take a couple of weeks because the tags are not simple Iron-Ons. It takes a special machine to make the tape and another special machine to apply them to the garment. This means somebody may have to check the old location a few times until all uniforms have been re-labeled.

## FS Comment Box -

Do you have a comment, question or suggestion that you would like to share with our Associate Vice Chancellor, Dave Irvin? If so, find a comment box in one of the following locations to drop off your comment (Facilities Services Complex Break Room, Facilities Services Shop Area, Steam Plant (near time clock), Neyland Biology Annex near room 128, Ellington Plant Science room 4, SERF outside of room 426 and former Sanitation Safety (Pest Control) Area at Facilities Services Volunteer Blvd.) or visit [www.tiny.utk.edu/fscommentbox](http://www.tiny.utk.edu/fscommentbox) today! Answers to these comments can be found weekly in the Comment Box section of this newsletter.

## Open Doors: A Campus & Community Connection -

Come take part in this opportunity to connect with the University of Tennessee Knoxville through casual conversations with the organizations that represent diversity and inclusion throughout campus and the Knoxville community. For more information, please see the flyer at the end of this newsletter.

## COMMUNICATIONS & INFO SERVICES

### Communications & Public Relations:

- As a reminder, if you recognize an issue on campus (cleaning, maintenance, repairs, etc.) that Facilities Services could fix BEFORE it becomes a bigger problem or is reported by a customer, please don't hesitate to make it known! You can do this either by submitting a work request in Archibus or reporting the need for Facility Repairs in the LiveSafe app. Our department shines when we work together to be the best we can be collectively. When we are the first to notice and report facility issues on campus, it shows that we take great pride in our campus and our work. Let's work together to be better in 2020 and beyond. Remember – if you recognize an issue, work request it!
- New uniforms have been delivered to most of our employees, and after a few weeks of adjustment, we understand that issues may arise. If you have issues regarding the fit of your uniform or issues with the location of delivery (because you've been reassigned to a new building), make sure you bag your uniforms together and attach a yellow help tag indicating any needed changes. More information on this will be in the next issue of The Facilitator. In the meantime, visit [tiny.utk.edu/uniformfaq](http://tiny.utk.edu/uniformfaq) for basic information.
- We will continue to accept Volunteer First Impressions submissions throughout the end of January 2020. Be sure to get your submissions in for those first impression spaces around Campus you would like to see revamped! Visit <https://tiny.utk.edu/VFI2020> for more information.
- You can find the most recent issue of The Facilitator by visiting: <https://fs.utk.edu/facilitator>.
- The electronic employee comment box can be found at [tiny.utk.edu/fscommentbox](http://tiny.utk.edu/fscommentbox).
- Help us nominate our next Facilities Services Employee of the Month at [tiny.utk.edu/fseom](http://tiny.utk.edu/fseom).
- Help us to nominate our next Facilities Services Exceptional Team at [tiny.utk.edu/exceptional](http://tiny.utk.edu/exceptional).

### Employee Training & Development:

#### Upcoming Training:

- We will provide the final Performance Review Training session on February 11 at 8:30a. To sign up for a session,

## THE • COMMENT • BOX

The following comments/questions were submitted to the FS comment boxes. Below each comment/question is the response from Associate Vice Chancellor Dave Irvin.

If you have a question about one of Dave's responses, please email him at [irvin@utk.edu](mailto:irvin@utk.edu).

**Comment:** Install a dock lift beside the generator and pour a pad in the flower bed for safe loading and unloading. Example: Pentalift LDL. Install a handicap door opener on the door next to the generator.

**Response:** *While your comment does not name which building you are referencing, I assume you are talking about the Facilities Services Complex. We are of course willing to do what is needed "for safe loading and unloading". However, I am not aware of any unsafe conditions or issues with unloading at the building. Without those details, I hate to spend money when funds are limited. If someone can give more specifics about what the issue is that needs to be corrected, we can consider what measures might be required.*
