## COVID - 19 Updates

Please be sure you are checking emails from Sam Ledford. To see last week's COVID-19 briefing, visit <https://youtu.be/mzUID7D1X2c>. If you missed any of the COVID-19 briefings, they can be found at the links located on page 4 under Communications & PR.

## Helpful Hint from the Haberdasher -

Elliott's Boots & Shoes has modified their present operating hours to Monday - Saturday 10 am - 6 pm. These times may change again and have therefore not been updated on the vouchers. Supervisors should make their employees aware of these times.

It is vitally important that supervisors and foreman be proactive in assuring their workers return ALL of their uniforms as quickly as possible upon leaving UT employment. Any returned uniforms should be bagged & tagged with a yellow tag (should be a supply of tags near every set of lockers). The tag simply needs to read: "QUIT" or "PDE" (a UniFirst abbreviation for personnel deactivated) and the date the person left. Once that is done, I need an email stating the number of shirts and pants returned and the quantities the employee has out to be cleaned. Once UniFirst accounts for the returns, plus the uniforms that were being cleaned, any outstanding quantity will be billed to the respective shop. - Jim Tolbert

## ADMINISTRATION

### Special Projects:

- Special Projects would like to thank everyone on the front lines dealing with the COVID-19 pandemic. Everyone has a role to play in the fight against this thing. We will, as always, work together as a department, but most of all as a family to get the job done. Please know there will never be enough words to express the gratitude you deserve for your tireless effort. We miss seeing you, but know we are only a phone call, text or email away. Until we're all together again, find the good in every day!  
Veronica & Leo

- Veronica Huff has volunteered to be our Facilities Family Support Center Coordinator, so if you have a need (either physical or emotional) during this time and want to anonymously seek out help, please reach out to Veronica via phone, text, or email during regular business hours (8a-5p), and she will work to make sure those needs are met if at all possible. Rest assured that those needs will not be shared by name. We know that this is a really challenging time for most of us. If your household income has been cut due to layoffs or you're struggling emotionally or mentally, please know that we want to make sure you're cared for. Veronica can be reached at [vhuff@utk.edu](mailto:vhuff@utk.edu) or 865-382-1779.

## FS WEEKLY CONTINUED:

### **FACILITIES OPERATIONS**

#### Building Services:

- Hodges Library - All first and 2nd floor windows that look out over the main entrance have been completed. Study rooms 129, 135b, 339, 135c and 135d have been stripped and waxed, all of the chairs and tables have been disinfected and are ready for the Fall semester. 6th floor stair case 7 was stripped and waxed. All hand rails have been disinfected.
- Tyson House - 3rd floor wooden hallways have been stripped and waxed, also kitchen on 3rd floor was stripped and waxed. 2nd floor bathrooms and wooden floors were stripped and waxed. 1st floor parlor room and main entrance have been stripped and waxed.
- Dunford - Both emergency stair cases have been stripped and waxed. All rooms have been carpet cleaned and 360 sprayed for disinfection.
- Greve - North and South stair cases have been stripped and waxed on all floors. Also, break rooms 343 and 543 have been stripped and waxed. All bathrooms on floors 6-2 have been scrubbed and disinfected.
- Melrose - G building - All 4 floors have been carpet cleaned and treated with the 360 machine. F building - 1st and 2nd floor have been carpet cleaned and sprayed with 360 machine.
- Austin Peay - We cleaned the carpet in multiple rooms on the second and third floors. We also burnished all hallways. We high speed cleaned the floors throughout the building.
- Nielsen Physics - We cleaned the carpets throughout the building, burnished the 4th floor floors and high speed cleaned the floors.
- Hesler Biology - We stripped and waxed the floors in room 106 and cleaned the carpet on the second and fourth floors.
- Dabney-Buehler - We stripped and waxed the floors in 303, scrubbed and waxed the floors in multiple rooms on the fifth floor, burnished the hallways throughout and cleaned the carpet in multiple rooms on the sixth floor.
- Walters Academic - We cleaned the carpet in rooms throughout the building.
- Burchfiel Geography - We burnished the floors in room

101 and on the fourth floor. We high speed cleaned the floors throughout the building.

- Ayres Hall - We stripped and waxed the floors in multiple rooms throughout the building.
- Min Kao - We cleaned the carpet in rooms throughout the third and fourth floors. We scrubbed the restrooms on the first and second floors.

#### Landscape Services:

- This week, the Landscape Services Team is reintegrating back to work at a staffing level of 80%. Personnel are practicing physical distancing at all times and using face coverings when necessary. Our primary objective is to keep the lawns mowed and focus on weeds in landscape beds. The remaining 20% of the team consist of those doing transformational work at home or vacant positions affected by the hiring pause. During this time, we are also completing landscape improvements already in progress, irrigation projects, and seasonal flower bed rotations. Heavy Equipment has completed several projects such as storm water improvements at the steam plant, provided sanitary sewer support at the new Pediatric Language Clinic on Lake Ave., maintenance at the detention pond at Sorority Village.

#### Lock & Key Shop:

- Glazer Bldg. – Repairs and install hardware.
- Campus – Assisting as needed and installing custodial closet cores.
- Music Bldg. – Install privacy lock.
- Walters Academic – Installing cores.
- Front Office – Open for key pickup and drop off, dispatching as needed.
- University Housing – Assist as needed – recores and repairs.

#### Sanitation Safety:

- Worked on monthly building interior PMs.
- Worked on bi-annual building exterior PMs.
- Completed on-demand Pest Control work requests.

#### UT Office of Sustainability/Recycling:

- The office has started a free online program focusing on sustainability! Join the Make Orange Green Ambassadors certification May 18-June 21 and learn about a new sustainability topic every week. Login to

## FS OPERATIONS CONTINUED:

Canvas using your NetID and search "Make Orange Green Ambassadors" under courses to join.

- This Saturday, Leah McCord, the office's Social Impact Coordinator, is graduating with a degree in Anthropology with a minor in Religious Studies. She will be moving on at the end of the summer to pursue a masters degree at the University of Denver in Social Work with a concentration in Sustainable Development. Her impact on this office has been absolutely incredible, and though we are sad to see her go, we know she will continue to do amazing work wherever she is.

### Recycling Totals for May 4 to May 10:

- Bottles/Cans: 700 lbs.
- Paper: 4,320 lbs.
- Cardboard: 3,600 lbs.
- Manure: 2,980 lbs.
- Food: 1,123 lbs.
- Total: 12,723 lbs. / 6.36 Tons
- Pallets: 14

### Recycling Totals for Fiscal Year 2020:

- Bottles/Cans: 286,560 lbs. / 143.28 tons
- Paper: 264,420 lbs. / 132.21 tons
- Cardboard: 515,980 lbs. / 257.99 tons
- Manure Compost: 319,310 lbs./ /159.66 tons
- Food Compost: 512,302 lbs./256.15 tons

## ZONE MAINTENANCE

### Zone 1:

- We have started cleaning coils and changing filters in the rooms in the residence halls. We are also working on public areas and hallways .
- Students will be coming to retrieve their belongings from May 4 to May 24 in the residence halls.
- The residence that remain on campus will all be moved to Stokely Hall.

### Zone 2:

- We are answering calls, working on PMs and unlocking doors.
- We are replacing a pump for the HPER pool and we replaced air handler motor at Student Health.

### Zone 3:

- At Hodges Library and Melrose Hall, we repaired lights in the north and south commons at Hodges, received first shipment of filters and stocked them in machine room and conducted general maintenance.
- At SMC, we repaired a valve on a fan coil unit, completed full building lighting repair, received partial COVID-19 filter order, replaced nonworking exit signs and humidity level check.
- At Haslam Business, we received partial COVID-19 filter order, addressed an ice machine leak, completed restroom inspection and conducted general maintenance.
- At Hoskins Library and UTPD, we conducted daily inspections and equipment logs, completed roof cleaning and received stock delivery. We completed LED lighting upgrades, trash removal, roof leak trouble shooting on the second floor and conducted a generator test run.
- At the Baker Center, we conducted an equipment check, various light repairs and changed a belt on AHU2.
- At the Vol Shop, we checked PMs.
- At the International House, we checked equipment, fixed a toilet leak on the second floor and changed a belt on AHU1.
- At Taylor Law, we conducted a mold inspection, exterior door checks, checked all lighting, replaced stained ceiling tiles, fixed leaking faucets and tested a generator
- At Panhellenic, we conducted a mold inspection, daily walkthroughs, exterior door checks and tested the generator.
- At Greve Hall, we are changing out old window cranks throughout the building, replacing stained ceiling tiles, checking machine rooms, changing vacuum breakers and changing out A/C units and burned out lights.
- At Tyson House, we are checking machine rooms, completing walkthroughs and turned on the water for Parking Services.
- We worked on the fan coil unit on the ground floor at Blount Hall .
- We reset the drive for the secondary chill water pump at Hoskins Library.

ZONE MAINTENANCE CONTINUED ON PAGE 4

# Facilities Services Weekly

May 11, 2020

ADMINISTRATION • FACILITIES OPERATIONS • ZONE MAINTENANCE • ADMIN. & SUPPORT

## ZONE MAINTENANCE CONTINUED:

### Zone 4:

- In all dining halls, we are reinstalling gas equipment, completing PMs, ensuring that buildings are secure and cleaning ice machines.
- We are repairing the fryer at Anderson Training.
- We are repairing the dish machine in PCB.
- We are repairing the dish machine in the Student Union Phase I.

### Zone 5:

- At the Football Complex, we checked and adjusted chemicals in the pools.
- At Neyland Stadium, we started changing can lights on 5th east sky box to LEDs.
- At Allan Jones Aquatic Center, we checked and adjusted chemicals in pools and changed toilet bearing.
- At Auxiliary Services, we worked on heating boiler.
- Throughout the zone, we are conducting general building maintenance.

### Zone 7:

- We are working to stay on top of Archibus this week with a very limited crew. We are also assisting a lot of contractors at Dougherty for the HVAC and elevator project.

### Zone 6:

- Maintaining environmental equipment.
- Addressing work order issues.
- Generator logging.
- Shutoff bathroom fans in select buildings.
- Mossman equipment inventory.
- We are continuing air pressure checks in the Mossman Vivarium.
- We are working on OSHA training.

### Zone 8:

- We will continue to thoroughly inspect all of our buildings and make needed repairs.
- One Call will continue to answer calls for the campus.
- Our social distancing practices will continue to remain a top priority.
- As more of our customers transition back to campus, we will answer any and all of their facility needs.

### Zone 9:

- We will be replacing some outdoor lighting at

Middlebrook Building.

- Keeping our buildings secure will remain one of our top priorities.
- We will continue to prepare for faculty and staff members to start returning to campus.

### ZM Specialties:

- Repaired broken glass at Dogwood Hall.
- Repaired parking lot lights around campus.
- Built charging stations for lifts at Concord Complex.
- Evaluated airflow and T-stat for a 6th floor lab at Mossman.

## COMM & INFO CONTINUED:

### Employee Training & Development:

#### Training News:

- The Training Team will be working remotely from 8a – 5p daily. Each member of the team has full access to their email. If you have any questions or need assistance, please contact Rebecca Alcorn at 865-898-2288.
- Title VI Training is now available in K@TE and should be completed as soon as possible. Please contact Rebecca Alcorn with any questions you may have.
- Your 2020 OSHA Training can be accessed at any time at <https://tennessee.csod.com/samldefault.aspx>. Sign in with your NetID and password. Then, click on "Your Transcript" and "Launch" to load the training. Remember that this training is available throughout the year and can be completed at any time. Please contact the Training Unit with any questions you may have.
- While working remotely, there are many different training opportunities that you can take advantage of. Please check your email inbox for messages from Rebecca Alcorn that contain links and further information. If you have questions, please contact Rebecca.
- We have six new employees this week! If you see them around, be sure to say hello and make them feel like a welcome member of the Facilities Services family!

### IT Support and Maintenance:

For employees that may need to telecommute or work from a different location than usual, the Office of Information Technology has a webpage (at <https://oit.utk.edu/remote-it/work-remotely/>) to help answer common questions that may arise, including:

- How to check your voicemail remotely
- Accessing your email account
- Tips for conference calling and online meetings
- How to remotely connect to your office computer
- How to connect to the H: or I: drive when you are away from campus

As always, the FS Information Technology group is available to help with the above issues or other assistance that you may need in order to keep you connected and productive. Feel free to reach out to us for help with your technical needs.

### Contact info for our team is as follows:

Jim McCarter -

Cell: (865) 438-0708

Email: [jvm@utk.edu](mailto:jvm@utk.edu)

Tim Baker -

Cell: (865) 206-6954

Email: [tbaker41@utk.edu](mailto:tbaker41@utk.edu)

Shawn Benson -

Cell: (423) 620-9913

Email: [sbenson7@utk.edu](mailto:sbenson7@utk.edu)

- Our University, as well as others, have experienced incidents of Zoom-bombing where uninvited guests enter an in-progress Zoom meeting for the purpose of causing disruption. OIT has issued a series of Best Practices for preventing such incidents, which can be found here... <https://oit.utk.edu/remote-it>. When scheduling a meeting, if you are interested in only having UT students, faculty, or staff join you, use Advanced Options, and check 'Only Authenticated Users can join.' This will restrict your meeting to only UT constituents with an active Netid/Password. In addition, that authentication is protected with Duo 2-Factor Authentication as well. Additionally, Zoom has simplified some things you can do while your meeting is in progress. The most visible change that meeting hosts will see is an option in the Zoom meeting controls called Security. This new icon simplifies how hosts can quickly find and enable many of Zoom's in-meeting security features. Visible only to hosts and co-hosts of Zoom Meetings, the Security icon provides easy access to several existing Zoom security features so you can more easily protect your meetings. By clicking the Security icon, hosts and co-hosts have an all-in-one place to quickly: Lock the meeting, Enable the Waiting Room (even if it's not already enabled) and Remove participants. They can also restrict participants' ability to share their screens, chat in a meeting, rename themselves, annotate on the host's shared content and work from home assistance.
- The LiveSafe app is available to install on your phone for free and has many useful features designed to enhance your safety and security on and around campus. It's a great way to quickly access safety related resources, such as emergency procedures or campus alerts, report security issues, or connect with the UTPD.
- New computer installations.
- 2FA assistance.
- Inventory.

- Work from home assistance.

## UTILITIES SERVICES

### A/C Services:

- Checked and restarted no. 1 boiler at JARTU.
- Rebuilt induction heating water pump at SMC.
- Checked and restarted chiller no. 1 at Claxton.
- Repaired cooling tower serving process chiller water system at JIAM.
- Repaired and restarted chiller no. 1 at Reese Hall.
- Checked and restarted AHU 5 at TBA.
- Checked operation of A/C system serving the rat lab at Jessie Harris.
- Checked and repaired VFD for cooling tower cell No. 3 at Hodges.
- Installed new chilled water coil in ROTC area at Hoskins.
- Completed installation of mini split system in room 206 at the Business Incubator.
- Checked and repaired secondary chilled water pump at Dougherty.
- Cleaned evaporator tubes on Chiller No. 1 at Claxton.
- Installed new cooler on POD store at Hess.
- Repaired leak on heating water system at Student Union.
- Remote online training.

### Electrical Services:

#### Security/Fire Alarm Group:

- Replaced bad audio/visual device at Delta Gamma.
- Fire panel trouble. Replaced batteries at Sutherland Intramural Fields.
- Assisted MASCO with repairing sprinkler leak at Tickle.
- Disabled and enabled alarm for plumbers soldering at Mossman.
- Assisted MASCO with drain repairs and fire alarm on sprinkler system at Hodges Library.
- Fire panel trouble. Repairing deficiencies in the fire

- panel on 2 WON doors at TREC.
- Fire panel trouble. Replaced a control ZAM in field for fire panel at Thompson Boling Arena.
- Fire panel trouble. Disable and enable beam detectors for maintenance working on lights at Thompson-Boling Arena.
- Fire panel trouble. Negative earth ground. Repaired and cleared trouble at Presidential Court.
- Fire panel. S.D. disabled and enabled on 2nd floor elevator contractor at Dougherty.
- Fire panel alarm. Replaced heat detector at 1816 Fraternity Park.
- Checking area of work for S.D. Looked at fire alarm devices in area where Interstate Mechanical is welding at Hoskins Library.
- Fire panel trouble. Heat detector showing no answer. It got wet from a leak. Replaced base and device at Min Kao.
- Disabled and enabled devices for plumbers in room 701 at Dabney.
- Disabled and enabled devices for contractors at Goodfriend Tennis.
- Fire panel. Supervisory trouble at Mossman.
- Fire panel. Battery fault on 2nd floor at Stokely Hall.
- Freight elevator not accepting cards when swiped. Repaired at Student Union.
- Trouble on security panel. Controllers were down from contractors replacing electric panels in building at Art and Architecture.
- Trouble on security panel. Humidity alarm sent to A/C control at McClung Museum.
- Door monitor w/ a low battery alarm. Assisted key shop and replaced battery at Music.
- Repaired door contact and rewired at Student Union.
- Security trouble. Replaced a panic button in room 211 at Student Services.
- Downloaded security software at Jessie Harris.
- Resolved access issues with painters getting into the building at Jessie Harris.
- Resolved access issues with landscaping at JIAM.
- Remote online training.

#### High Voltage:

- Daily 1-800 marking

UTILITIES SERVICES CONTINUED ON PAGE 7

## UTILITIES CONTINUED:

- Pumping electrical manholes across campus.
- Repaired outdoor lighting problem at 1900 Terrace Avenue.
- Repaired outdoor light at Business Incubator.
- Replaced fuse on pole light at Lot 9.
- Getting count for pole light LED replacements at Kingston Pike Building.
- Straightened pole light globe at Greve Hall.
- Campus meter reading.
- Breaker tripped on pole lights in Staff Lot #25.
- Checked lights out on campus that belong to KUB and send them a list.
- Straightened up shade/ globe and tightened outdoor lights at Ayres Hall.
- Replaced bollard lights at AG entrance.
- Replaced bollard lights at Student Union.
- Replaced bollard lights at Ayres Hall.
- Remote online training.
- Worked on pump at Biotech.
- Replaced sump pump in steam vault at Alumni Memorial.
- Pumped steam vaults on campus.
- Repaired pump at Student Aquatic.
- Repaired leak at Haslam.
- Provided temporary water feed for irrigation at Tom Black Track.
- Repaired condensate pump at Dougherty.
- Removed storm structures from job site at Band Pavilion.
- Removed asphalt around dropout at Sorority Village.
- Replaced 6" gasket in tunnel at SERF.
- Repaired recycling dumpster.
- Installed new 40-gallon water heater at South College.
- Fire Hydrant testing on campus.
- Installed new bottle filler at Andy Holt Tower.
- Cut concrete on dock for drain installation at Hess Hall.
- Repaired leak at machine room at Communications.
- Repaired steam leak at Dabney/Buehler.
- Mounted new welder on truck 3044.
- Repaired leak in penthouse at Student Union.
- Prepped for Leslie at Allan Jones.
- Remote online training.

## Secondary Electrical:

- Installed new VFD in basement for A/C shop at Hodges Library.
- Worked on power to pump at Alumni Steam Vault.
- Checking route of power to building and located at corner of Ceramics Annex.
- Hooked up water fountain on P-2 after plumbing installation in Andy Holt Tower.
- Removed power to computer modules so they can be moved in room 440 at Communications.
- Located circuits for two water heaters at Regal Soccer.
- Temporary power. Removed cords at Art and Architecture.
- Replaced motor at AG Greenhouse #16.
- Worked on water heater at South College.
- Replacing power to lights and outlets at Humanities Courtyard.
- Scheduled outage on electrical panel to install new breakers for pumps in A/C shop at Mossman.
- Remote online training.

## Plumbing Shop:

- Repaired leak in wall of 3rd floor bathroom at Mossman.
- Worked on water fountain at Thaxton.

## Steam Plant:

- Produced over 12,000,000 pounds of steam.
- Switched softeners to repair leak on water line.
- Ordered parts to repair leak on softeners after blowout.
- Recirculated diesel oil in tanks.
- Tested water daily to insure quality.
- Rebuilt site glass on #3 boiler.
- Worked on water flow meters.
- Finished monthly logs.
- Remote online training.

## **CONSTRUCTION SERVICES**

- Anderson Training Center: New flooring, paint, and utilities for new tubs.
- Andy Holt Tower: Sneeze guard for P115.
- Art & Architecture: New counter tops in 1st floor restroom;

## CONSTRUCTION CONTINUED:

- Repair pedestrian bridge; Repair carpet in 224; Dimming controls for lighting 215A.
- Austin Peay Building: Blinds 303D..
- Auxiliary Services: Disconnect plate processor, new tile under machine, new electric service 115B
- Ayers Hall: Water bottle filling station; Install lockers in G012 ..
- Bailey Education: Signage for 5th floor; Fix floor around drain in men's room
- Biosystems Lab Building: Renovate classrooms 199A and 199B.
- Burchfiel Geography: Classroom renovation 101.
- Boathouse: Remove bridge.
- Brenda Lawson: Electrical engineering for broadcasting equipment G003.
- Campus: Window replacements- Perkins Hall; Eyewash replacements in several labs; Security locking for classrooms; Install license plate cameras; Repair damages from auto accident near Art and Architecture Building; LED lighting upgrades to outside lights; Replace University Seals; Volunteer First Impressions Contest projects.
- Clarence Brown Theatre: Provide emergency locking for assembly spaces.
- Claxton Education: Paint 231.
- Communications: ADA opener on door near Dean's office; Add receptacles to 53; Carpet 434; Renovate 227 and 447-offices and meeting room; Carpet 434; Paint 339; Paint and carpet 328; Minor renovations 83; Paint 230; Paint 472.
- Conference Center Building: Paint and carpet in 2nd floor suites 209, 215, 224, 230, 231; Replace designs in carpet on 4th floor; Patch and paint 311F; Communication Room ground bars, lighting, emergency power circuits, door access control; Water bottle filling station.
- Dabney Buehler: Repair acid drains; Renovate lab 674 (casework, utilities and floor).
- Dougherty Engineering: Paint 210; Carpet and paint 208 and 508; Renovate 420 for breakroom.
- Dunford Hall: New shades on 2nd floor; Paint and carpet 4th floor corridor; Paint and carpet 2429; Paint and carpet 2332, 2333, 2424, 2425 and other misc. work; Wall repair and carpet cleaning 2304.
- Early Learning Center: Remove tire mulch from playground (Lake Ave.); Additions to playgrounds at White and Lake Avenues; Repairs around amphitheater (Lake Ave.).
- Fab Lab (Jewel Building): Replace glass with frosted glass and security film in store front; Install exterior lighting and camera.
- Fibers and Composites: Utilities for press (chilled water, electric, air).
- Fleet Management: Renovate room for key boxes 108.
- Food Science Building: Electric work 306; Paint orange in 4 areas.
- Goodfriend Tennis: Engineering for HVAC addition to court area.
- Greve Hall: Electric for digital display in elevator lobby, Ground Floor.
- Haslam Business: Divide 329 and 330 into 3 offices; Paint main corridor on 6th floor.
- Hodges Library: Install cyclorama, curtain system and additional electric in room 170; Classroom upgrades.
- HPER: Paint 376; Paint 357.
- Humanities and Social Sciences: Classroom Upgrades.
- Jessie Harris: Paint and blinds 332; Remove fan and paint 102; Paint 418 and 421.
- JIAM: Electrical modifications for 135 and 150; Replace helium recovery system; Connect vacuum pump to exhaust and add nitrogen to fume hoods 113; Mechanical analysis to determine capacities to add more fume hoods; Electric work and chilled water G026.
- Lindsey Nelson Stadium: Corrections for SFMO.
- McClung Museum: Replace doors 6, 7, stairwell; New doors on 64.
- McClung Tower: Door security on 5th floor.
- McCord Hall: Remove night latch.
- Min Kao Engineering: Reinforced walls with door and window 117.
- Morgan Hall: Renovations per POCA; Paint and carpet 302I and 314B.
- Nielsen Physics: Replace spline ceilings on 6th floor.
- North Greenhouse: New lights 109.
- Nursing Building: Paint 237 and 329.
- Perkins Hall: Replace card access with standard locking 324.
- Plant Biotech: Paint 111; Electric circuit for freezer 207.
- Presidential Court: Repair doors in Bakery.
