COVID - 19 Updates

Please be sure you are checking emails from Sam Ledford. To see the most recent COVID-19 briefing, visit <https://youtu.be/eKCa5QNbEhk>. If you missed any of the previous COVID-19 briefings, they can be found at the links located on page 4 under Communications & PR.

SEC Food Fight April 5 -17

In collaboration with pantries from across the SEC, the Big Orange Pantry will compete in the first-ever Schools of the SEC Food Fight competition from Monday, April 5 through Saturday, April 17. Each participating institution in the SEC will assign a point value to the items they need most, and the pantry with the most points earned at the end of the competition wins! The Big Orange Pantry will offer point values for hygiene products, cooking supplies, and financial support.

UT POINT VALUES

Hygiene products (4 points)
Cooking supplies (3 points)
Financial support (2 points)

The flyer at the end of this newsletter has information about the pantry, the types of donations requested and the points they'll earn. We will collect donations for the SEC Food Fight at the Facilities Services Complex from now until April 14. Donations are accepted on campus until April 17, but we need time to get the items organized and moved to the appropriate place. Please consider making a donation - Vols Help Vols! Donations with Sam Ledford or Veronica Huff. Contact them with any questions you may have.

KUB and FSC

KUB and Pride Utility Contractors will be installing a 16 inch gas line that will affect our FS Complex. The project is scheduled to begin Wednesday, April 14. From April 14-April 21st, they'll be boring underneath the railroad tracks. They need to make a boring pit on our side which will eliminate 4 parking spaces to the left of the dumpster. After that, from April 30-May 2, they hope to get all 519 ft of that pipe installed all the way up to Sutherland Avenue along the fence line. Prior to this, we thought they'd be working overnight, but this condenses the work into double shifts on one weekend. The following weekend, they're planning to do some restoration and paving. When they get to the Sutherland Avenue crossing, they'll let us know which direction will be closed to traffic ahead of time. When that gets closer and if anything changes, Candis will let everyone know. During the April 14-21, if you can work from, please do so. We will need all available parking spaces for those who have to work on campus.

Helpful Hints from the Haberdasher

ATTENTION Elliott's Boots on Western Ave has reopened! The laundry business next door suffered a fire which caused Elliott's to suffer some smoke & water damage and had to be closed for a few weeks. The mess is now cleaned up and they are open as of Wednesday (3/31). Now that the main store has reopened, please be advised: VOUCHERS ARE NOW ONLY VALID AT THE WESTERN AVE STORE.

ADMINISTRATION

Special Projects:

- Veronica Huff has volunteered to be our Facilities Family Support Center Coordinator, so if you have a need (either physical or emotional) during this time and want to anonymously seek out help, please reach out to Veronica via phone, text, or email during regular

business hours (8a-5p), and she will work to make sure those needs are met if at all possible. Rest assured that those needs will not be shared by name. We know that this is a really challenging time for most of us. If your household income has been cut due to layoffs or you're struggling emotionally or mentally, please know that we want to make sure you're cared for. Veronica can be reached at vhuff@utk.edu or 865-382-1779.

FS WEEKLY CONTINUED:

FACILITIES OPERATIONS

Building Services:

- Haslam Music: Rooms 117 G and H were shampooed, rugs on ground floor have been carpet cleaned and put back and bathrooms on the ground floor were scrubbed and detailed out.
- CBT: Inside and outside windows in the lobby were cleaned. Bathrooms in the lobby were scrubbed to remove water hard stains.
- A&A: First floor rugs and carpet in metal shop have been shampooed. Also, closets have been rearranged and cleaned.
- Humanities: First floor bathrooms have been scrubbed out. Elevator has been cleaned and graffiti removed. 2nd floor rooms 224, 223, and 220 have been carpet cleaned.
- Our team has continued to work on keeping touch points clean and disinfected.
- We have been reviewing and handing out evaluations.
- We have been helping take care of floods and leaks throughout campus due to rain.
- We have helped with enhanced cleaning when needed.
- At Greve, the building was carpet clean because of rain leaks. Hallways were high speed cleaned and bathrooms were deep cleaned.
- At Dunford, the building had a leak in testing rooms on the first floor. We had to deep clean carpet and moved tables and chairs to another location.
- At Henson, the building had no issues. Henson was disinfected, bathrooms were cleaned and hallways mopped.
- At SMC, the elevator had to be serviced and cleaned. Windows on 1st second was cleaned. Offices on the sixth floor were carpet cleaned.
- At Haslam, the stairwells were swept and mopped. We had to clean up after a meeting and also carpet cleaned room 501 and cleaned up a water leak in room 620.
- At the Facilities Services Complex, all trash cans were cleaned and carpets were cleaned. Front windows at the main entrance were cleaned.
- At Hodges Library, we had a lot of leaks on the sixth floor hallway. Carpet had to be vacuumed and shampooed.

Stairs were mopped on all floors.

Landscape Services:

- Pedestrian Mall Expansion: Review plans for bid
- Melrose Hall Site: Provide estimate for potential future use of site
- Pressurize and test irrigation systems
- Campus wide: Spring maintenance pruning to younger trees (cont)
- Refurbished sculptures: Excavation for sculpture pads at McClung Museum and Hopecote
- 908 Twenty-First Street demolition: Install topsoil and sew grass seed
- Turf: Pre-season turf applications (cont.)
- Panhellenic Monument project: Support site modifications at the Pedestrian Mall for project construction and order plants for landscape improvements (cont.)
- Engineering Wind Tunnel project: Provide excavation for electrical service upgrades and driveway modifications (cont.)
- Mulch installation in landscape beds campus wide (cont.)
- First Impression Projects: Plant installation for landscape improvements at McCord Hall and McClung Museum (cont.)
- Career Path Project: Making final adjustments to coordinate with new job family classifications before sending to HR for review (cont.)
- Performance Reviews: On-going
- Apprentice program development (cont.)
- Hiring to fill vacant positions

Sanitation Safety:

- Worked on monthly building interior PMs.
- Worked on bi-annual building exterior PMs.
- Completed on-demand Pest Control work requests.

ENERGY MANAGEMENT

UT Office of Sustainability/Recycling:

Recycling Totals for March 29 to April 2:

- Bottles/Cans: 3,940 lbs

ENERGY MANAGEMENT CONTINUED ON PAGE 3

Facilities Services Weekly

ENERGY MANAGEMENT CONTINUED:

- Paper: 4,540 lbs.
- Cardboard: 12,920 lbs.
- Manure: 10,500 lbs.
- Food: 10,986 lbs.
- Total: 42,886 lbs. / 21.44 tons
- Pallets: 82

Recycling Totals for Fiscal Year 20:

- Bottles/Cans: 136,840 lbs. /68.42 tons
- Paper: 210,140 lbs. / 105.07 tons
- Cardboard: 376,260 lbs. / 188.13 tons
- Manure Compost: 346,020 lbs. / 173.01 tons
- Food Compost: 347,547 lbs. / 173.77 tons
- Total: 1,416,807 lbs / 708.40 tons
- 4/2/21 Grow Lab Workday 5 volunteers each helped out for two hours.
- 3/31/21 Compost Waste Audit, Front of House composting at Student Union.

ZONE MAINTENANCE

Zone 1:

- We are staying caught up on work orders for the residence halls.
- We had a small water outage in South Carrick this past week for plumbing repairs.
- Eskola will be working on several halls this next week on roof repairs.
- The fire alarm audible test worked in all zone 1 buildings.

Zone 2:

- Answered calls.
- Unlocked doors.
- Throughout the zone, we conducted general maintenance and completed PMs.

Zone 3:

- Conference Center: Daily walk throughs, daily checks, logging equipment, daily building lock down, generator inspection, test runs, trash removal, elevator track cleaning, restroom checks, outside clean up, air handler inspection and monthly Archibus close out.
- SMC: Coil cleaning continues on induction units. Four lights on the fourth floor have been repaired. We

conducted equipment checks.

- Haslam Business: Placing filters for coming change, cleaned # 2 cooling tower, cleaned # 2 tower water pump strainer, working with Merit on M floor electrical repairs, extensive building check before holiday, assessed water leak in room 633 and 501 and wall light repair on 3rd floor.
- Dunford Hall: Equipment check, various repairs and daily walk throughs.
- Baker Center: Equipment checks, waterless urinal serviced on all three floors, assisted ZM Specialties on air balance and general maintenance.
- International House: Equipment checks, changed belt on AHUs, walk throughs and conducted general maintenance.
- VolShop: Equipment checks.
- Taylor Law Complex: Walk throughs and general maintenance.

Zone 4:

- Repaired shelving in the stock room at Stokely.
- Replaced cutting boards at Haslam.
- Repaired lemonade dispenser and fry cutter at PCB.
- Repaired mixer at Fred Brown.
- Working on dish machine at the Student Union.
- Changing lighting to LED at the Culinary Institute.

Zone 5:

- At Neyland Stadium, we are continuing to prepare for the Orange & White game.
- At Anderson Training, we checked and adjusted chemicals in pools and used lift to gain info off gas heater.
- At Allan Jones Aquatic, we checked and adjusted chemicals in pools and replaced pump on hot tub.
- At Regal Soccer, we checked and made repairs after North Carolina.
- At Lindsey Nelson Stadium, we checked and made repairs after LSU.
- At Sherri Parker Lee Stadium, we checked and made repairs after Bellarmine and prepared for Kentucky.
- Throughout the zone, we conducted general building maintenance.

Zone 6:

- Maintaining environmental equipment.

ZONE MAINTENANCE CONTINUED ON PAGE 4

Facilities Services Weekly

April 5, 2021

ADMINISTRATION ● FACILITIES OPERATIONS ● ENERGY MANAGEMENT ● ZONE MAINTENANCE
ADMIN. & SUPPORT ● COMMUNICATION & INFO SERVICES ● UTILITIES ● DESIGN ● CONSTRUCTION

ZONE MAINTENANCE CONTINUED:

- Addressing work order issues.
- Initiation of QR Coder initiative.
- Mossman - scheduling contractor for chemical tank renewals.
- Zone 6 tower cleaning initiative.
- Continuing LED lighting project.

Zone 7:

- AMB: General maintenance, repairs on lights, ceiling tiles, restrooms, leaks, replaced toilet seats in two handicap stalls, switch to cooling on all 4 pipe systems and cut off heaters.
- Dougherty: Changing belts and filters on the air handlers, fixed a door and completed walk throughs.
- Min Kao: Changing filters, working on water leak, working on lights and resetting clocks.
- Ferris Hall: Conducted daily walk throughs and weekly walk through, serviced AHUs and switched building over to cooling.
- Perkins Hall: Conducted daily walk throughs and weekly walk through, serviced AHUs and switched building over to cooling.

Zone 8:

- Our LED lighting project continues in the Plant Biotech building.
- We only have a couple of cooling towers left to clean at JARTU and we hope to have them done soon.
- Finally it seems that our transports have slowed down significantly and that is a GREAT SIGN.
- Our One-Call continues to answer calls and be there for the entire campus 24/7-365 days a year.

Zone 9:

- We continue with repairs to a cooling tower at the Middlebrook building and hopefully that should conclude this week.
- We will keep making progress with our LED upgrade at the Glazer building in Oak Ridge as we can gain access to the space.
- Our LED upgrades at the Facilities Services Complex will continue as we proceed with all of our mechanical areas.

Zone Maintenance Specialties:

- Edited annual roof inspection PM and rescheduled for campus roofs

- Installed doors at Student Union level 3
- Boarded broken window at Student Services
- Installed handicap operator at Clarence Brown Theater and Student Union level 3
- Moved aerial lifts as requested on campus
- Air balancing at Howard Baker Center
- Completed reduction of air exchanges for former rat lab at Walters Academic building

Lock & Key Services:

- A&A – cut keys for printer boxes
- Arena Dining – entrance lock repair
- Auxiliary Services – install lock hardware
- Humanities – install lock hardware
- Student Union/Phase II – install door hardware
- Ayres Hall – repair door latch
- On Campus – assisting as needed
- Front office – processing key request – open for key pickup and drop off
- University Housing - recores and repairs, assisting as needed

COMMUNICATIONS & INFO SERVICES

- The electronic employee comment box can be found at tiny.utk.edu/fscommentbox.

Employee Training & Development:

Upcoming Training:

- **STRIDE Training** - This training is offered 4/6 and 4/8. There are multiple sessions offered, but you only

COMM & INFO CONTINUED ON PAGE 5

Facilities Services Weekly

April 5, 2021

ADMINISTRATION ● FACILITIES OPERATIONS ● ENERGY MANAGEMENT ● ZONE MAINTENANCE
ADMIN. & SUPPORT ● COMMUNICATION & INFO SERVICES ● UTILITIES ● DESIGN ● CONSTRUCTION

COMM & INFO CONTINUED:

need to register for one. This is a required training for you if you serve on hiring committees. If you're not sure if you should participate, go ahead and sign up for one because it won't hurt you, and you'll likely serve on a hiring committee at some point. Register in K@TE.

- **Facilities Fundamentals: Spring Landscaping Tips** - Join us on Zoom as our resident experts in all things Landscaping and Arboriculture share their best tips for Spring this Thursday, April 8 from 12p - 1p. Register at https://calendar.utk.edu/event/facilities_fundamentals_spring_landscaping_tips#.YEZutWhKgdV today!
- **FS Mini Train** - The most recent FS Mini Train can be found on our FS YouTube page at <https://www.youtube.com/channel/UCXKOW5Lbel8ouQBoYNvF5fQ!>

Training News:

- The 2021 Training Calendar is available online! Visit <https://fs.utk.edu/comminfo/training/> to view upcoming training dates, times and information throughout the year. The calendar is located below the "Login for online training" link. Check back often as new events and opportunities are added often!
- Your 2021 OSHA Training can be accessed at any time at <https://tennessee.csod.com/saml/default.aspx>. Sign in with your NetID and password. Then, click on "Your Transcript" and "Launch" to load the training. Your course assignments are all the same as they were for 2020, but instead of having each course assigned to you individually, you will have a training curriculum assigned. When you look at your transcript in K@TE, you'll see something like "Facilities Services: Training Group 1 – Office Staff" but it'll be specific to the group you're actually in. Just like you did with the campus compliance training, you'll open the curriculum and then complete each course inside the curriculum. You'll reach 100% completion when you complete every course within the curriculum.
- **External Training Completions** - If you participate in any training not done through K@TE, make sure you let Training (Rebecca, Anna and/or Beth) know so they can give you proper credit for it. The university does recommend that you receive 32 hours of external training annually (HR 128). Last year, we had our highest number of staff hitting their goal for training hours, and while we don't realistically expect the same numbers as last year, we do want to see our team continue to put time and

effort into receiving training for their professional and personal growth.

IT Support and Maintenance:

- Computer Upgrade Program
- New Laptop setup
- Printer/Computer Troubleshooting
- KRONOS Teletime Upgrade
- Hot Spot upgrades and replacement
- Power Outage Notifications
- Plant Biotech Lighting Computer Rebuild

UTILITIES SERVICES

A/C Services:

- Moved tower controls from chiller panels at Music Chiller Building.
- Worked with L.V. electric to repair AHUs that were down at Thompson Boling Arena.
- Temporarily repaired bad smoke damper actuator and ordered new that are serving AHU2 at Thornton.
- Reset the safeties on AHU S1 at Plant Biotech.
- Traced out safety circuits for AHUs 1&2 at Food Safety.
- Re-calibrated high-pressure switch in the return duct serving AHU P4 at Hodges Library.
- Reset heating system at Student Recreation.
- Restored communications to several field devices that were offline at Brehm.
- Met with contractors about the heating control valve issues on the second floor at the Conference Center.
- Found and assisted fire alarm crew with repairing a faulty safety circuit on AHU5 at Thompson Boling Arena.
- Established a conduit installation route from the trash compactor to a building automation controller at West Campus Dining. This will allow for an automated notification to be generated when the compactor is 80% full.
- Installed and wired a new VFD for secondary chilled water pump 2B at Kingston Pike Building.
- Performed closed loop testing and chemical addition on Campus.
- Performed cooler tower testing and chemical addition on Campus.

UTILITIES CONTINUED ON PAGE 6

UTILITIES CONTINUED:

- Added cooling tower cleaner to SERF 5&6.

Electrical Services:

Security/Fire Alarm Group:

- Fire alarm/panel trouble and repairs at Dunford Hall, JARTU, Third Creek Bldg., Fred Brown, Reese Hall, Zeta Tau Alpha, Humanities, North Carrick, and Dunford Hall.
- Assisted Masco with access to buildings for testing at the Creamery, Neyland Stadium, and Dabney.
- Assisted contractors with disabling and enabling devices at CRC.
- Assisted with fire drill at Bass Bldg.
- 2nd Reset fire alarm from duct detector at Dogwood.
- Programming stick readers for Campus.
- Checked A/C faults on campus buildings and replace batteries where requested.
- Reinstalled panic button at lobby desk at 1610 University Ave.
- Reprogrammed window contacts at Parking Services.
- Repaired gate at the Steam Plant.

High Voltage:

- Daily 1-800 marking.
- Pumping vaults on campus.
- Weekly Zoom Meetings.
- Reading meters on Campus.
- Onsite pre-outage meeting and prep. Then performed outage at Ellington Plant Sciences.
- Assisted TAB with access to substation for borrowed transformer for the Wind Tunnel project.
- Reviewing plans for Phase II of the JW Mall Extension.
- Assisted L.V. with outage to repair a panel board at Thompson Boling Arena.
- Investigating steam/water leak on Lower Drive.
- Connected and disconnected TV trailer at Sherri Lee Softball.
- Worked with TA in investigating and repairing tripped out breakers while installing bulbs and ballasts at Tom Black Track.
- Onsite meeting with Design and Renascent for warranty repair to pipes under sidewalk at old Morrill Demo and pump house.
- Turned on/off lights for a football event at Neyland

Stadium.

- Checking sidewalk pole lights and KUB roadway lights to repair and report outages at Fraternity Park.

Secondary Electrical:

- Panda Express - Circuit breaker tripping oven power. We replaced the breaker. This is 50% complete as we are waiting for parts.
- Mossman - Lutron controls followup meeting with Lutron tech in the Vivarium.
- Ion generators - additional for Jessie Harris room 114. Waiting for HVAC.
- Haslam Music Building - Request ZM for list of lights that are not working - in progress.
- North Greenhouse/AG Campus - Replaced Rec/Plugs for lights.
- Service calls - Weekend at Tom Black Track
- Food Safety - Removed temporary cables for power outage.
- Ag Campus - Central Greenhouse - Circuit breaker tripping.
- TBA - Contactor cleaning for HVAC.
- Brenda Lawson - Power for HVAC units.
- Monthly meeting readings.
- Magnolia Hall - Reinstalling condensate pump.
- Student Union Phase I - Checked LED lights on signs.
- Stokely Hall - Circuit breaker tripping in attic.

Plumbing Shop:

- TN 1 Calls on campus.
- Pumped steam vaults on Campus.
- Wastewater testing on Campus.
- Replaced two steam valves in manhole at Perkins Hall.
- Turned on steam to West Campus Dining Hall.
- Repaired steam leak in steam well at Baker Center.
- Repaired leak in security office at South East Neyland Stadium.
- Repaired steam leak in tunnel at Dabney Buehler.
- Repaired steam leak on regulator machine room at Music.
- Rodded floor drains at Bess.
- Repaired boiler relief valves at JIAM.
- Fire hydrant testing on Campus.

UTILITIES SERVICES CONTINUED ON PAGE 7

UTILITIES SERVICES CONTINUED:

- Installed new toilet at Southern Kitchen.
- Installed bottle fillers on Campus.
- Faucet repair at Alpha Delta Pi.
- Repaired water leak at Carrick Hall.
- Worked on water heater at Magnolia and Geier Hall.
- Repaired the mop sink faucet at Senter Hall.
- Replumbed urinals at Eleventh St. Garage.
- Repaired leaking acid drain at Mossman.
- Repaired hot water leak at Clement Hall.
- Dougherty Engineering: Paint 210; Carpet 226, 304, 310, 312, 406, 407, 407A, 407C, 410 and 503
- Dunford Hall: Paint and carpet 2429; Paint and carpet 2332, 2333, 2424, 2425 and other misc. work; Wall repair and carpet cleaning 2304; New flooring in an office
- Fibers and Composites: Remove equipment in 199; Utilities for new Wabash Press
- Food Safety: Move fume hood from Ellington to room 10; Enclose part of room 100
- Food Science Building: Connect freezer and cooler in Pilot Plant to emergency power; Receptacle in 307
- Glazer Building: Renovate meeting room
- Greenhouse #10: Replace tile floor in 103
- Henson Hall: move card reader to 109
- Hesler Biology: Receptacles for growth chambers B006
- Hodges Library: Renovate 252; New lighting and painting 199A; Paint, carper, millwork 605
- HPER: Paint 334; Renovate rooms 354 and 354A
- Intramural Fields: Seal parking lot; New pathway lighting
- JIAM: Electric work for labs G002 and G003; Electric work in 152; Add sink in 150; Add cup sink to hood in 216; Electric work in 256
- Kappa Alpha Fraternity: Painting
- McClung Museum: Wiring for new desk location in lobby
- McClung Tower: Fire Marshal POCA list
- McCord Hall: Lab renovations on 1st floor
- Melrose Hall: New blinds for reception
- Morgan Hall: Renovations per POCA; Paint corridor near 320; Renovate 201A; Paint and carpet 321C
- Mossman Building: Add door seals to darken lab; Remove shelving and sink 539B
- Neyland Thompson Sports Center: Haslam Field expansion
- Nielsen Physics: Remodel room 217 into a lab
- Nursing: Fire Marshal POCA list
- Presidential Court: Repair doors at loading dock
- SERF: Remove connecting doors and add corridor door 511; Access controls 530
- Sigma Chi Fraternity: Install sink, toilet and fire alarm device
- Sigma Kappa: Fire protection for new fryers
- Sherri Parker Stadium: Corrections for SFMO
- Student Union: Emergency locking; Shell Space Buildout;

Steam Plant:

- Tested operation of #2 boiler actuator.
- Light off #2 boiler.
- Took #1 boiler offline.
- Picked up parts for the softener.
- Met with boiler inspector.

CONSTRUCTION SERVICES

- Alumni Memorial Building: Fire Marshal POCA list; Move cabinets and remove door G002
- Ayers Hall: Install lockers in G012; Soundproof doors 208 and 247
- Biosystems Engineering and Soil Science Lab: Projector screen in classroom; Directory at entrance
- Black Cultural Center: Repair lobby tiles
- Burchfiel Geography: Paint 5 offices; Paint, furniture and white board in office
- Brehm Animal Science: Cap off exhaust ducts; Cabinet work in lab
- Campus: Replace University Seals
- Ceramics Annex: Bars on 2 windows, Door opening buzzer
- Clarence Brown Theatre: Provide emergency locking for assembly spaces
- Communications: Renovate 227 and 447-offices and meeting room; Paint 339; Paint and carpet 328; Minor renovations 83; Paint 230; Paint 472; Water intrusion repairs; New fan coil units in 208, 209, 310, 314, 316, 317; Painting on 1st floor
- Conference Center Building: Paint, carpet and furniture 210; Emergency circuit for OIT
- Dabney Buehler: New fume hoods
- HPER: Paint 334; Renovate rooms 354 and 354A
- Intramural Fields: Seal parking lot; New pathway lighting

The Big Orange Pantry, in collaboration with pantries from across the Southeastern Conference, is excited to compete in the first Schools of the SEC Food Fight.

The pantry with the most points earned at the end of the competition wins!

The Big Orange Pantry provides emergency food assistance and other essentials for the UT campus community. The initiative began in the fall of 2020 after studies showed food insecurity and basic need assistance as a growing cause of concern at public higher education campuses across the nation. This is not the same as Smokey's Pantry as The Big Orange Pantry specifically seeks to serve those within the UT campus community.

We want to do our part to serve those in need while also showing the SEC who is #1!

Donations can be left with Veronica Huff or Sam Ledford at Facilities Services. Let Veronica or Sam know if you have questions. We are accepting the following:

4 Point Items

Bar Soap

(can be scented, unscented, for sensitive skin or with shea butter)

Body Wash

(can be unscented, for sensitive skin or with shea butter)

Dental Floss/Picks

Deodorant

(can be unscented or for Sensitive Skin)

Toothbrushes

Toothpaste
