Zoom Briefing Updates
Please be sure you are checking emails from Sam Ledford. To see the most recent briefing, visit https://youtu.be/MSMAzs08ZsA if you missed any of the previous briefings, they can be found at the links located on page 5 under Communications & PR.

2021 Pink Day
It’s that time again! Pink Day will be held on Wednesday, October 13th. As in the past, on this day, we will be collecting donations for Susan G. Komen Foundation. If you’d like to donate online, you can do so by visiting our team link at https://tiny.utk.edu/FSVols4Cure. More details can be found at the end of this newsletter.

We will have a group photo at the Facilities Services Complex at 11AM on October 13th. If you are unable to make it to the complex for the group photo, please take photos of yourself or with teammates and email them to Veronica Huff at vhuff@utk.edu. We love seeing our team supporting Breast Cancer Awareness Month.

Campus Chest Campaign
It’s time to kick off the annual Campus Chest Campaign! This is an employee giving program that promotes the support of health and social service nonprofit agencies to help our community, provide assistance to those in need, and show what the Volunteer spirit really means!

The campaign will extend through November 5. Login to the pledge portal at https://tiny.utk.edu/campuschestfs with your Net ID and Password to see how your support is powering United Way of Greater Knoxville, Community Shares, and other independent agencies to keep doing critical work for our community all year long.

Helpful Hints from the Haberdasher
Did your uniform come back with a stain, rip or other issue that was not present when it was sent off. Send a photo to Jim Tolbert at jtolber3@utk.edu with your name. It would be helpful to include your ID number with the photo of the garment.

Benefits Annual Enrollment
Benefits annual enrollment is upon us. Annual enrollment will take place from October 1 – 15, 2021. As a reminder: if you want to keep your current coverage options for 2022 you do not need to do anything. If you want to add, remove, or make changes to your coverage you can access Edison Employee Self Service via the link in the menu bar of IRIS Web at https://iris.tennessee.edu/my-iris-web-portal/ during annual enrollment. Sign up information for flexible benefits and long term disability insurance will be sent directly to eligible employees. LTD open enrollment from Lincoln Financial Group will be from October 1-15. Flexible benefits enrollment through Optum Bank runs the entire month of October. More information including upcoming benefit & carrier webinars can be found at https://www.tn.gov/partnersforhealth/ae/about-enrollment.html. If you have questions please visit Partners for Health at https://www.tn.gov/partnersforhealth/, or contact Payroll/Insurance at 974-5251 or UUInsurance@tennessee.edu.

KUB Updates
A change has been made to the KUB work scheduled to take place through the FSC parking lot. The railroad flaggers can’t start until this Friday (October 8th) which means the boring can’t start until then. Once started, they’ll begin their approach from the Kingston Pike Building side. Pride is coming NEXT Monday, October 11th, to start digging the bore pit in those 4 spaces closest to the dumpster. This will set our schedule back a week for completion and paving. Pride will still be here to do some work on the gravel in our lot later today. Please use caution when entering or exiting the lot. Please direct any questions to Candis Sheehan at crandal6@utk.edu.

Employee Training & Development:

Upcoming Training:

- In-person CPR/AED Training will take place 10/19, 10/21, and 11/4. If you are registered to attend the training, please complete the online training portion and email your certificate to the Training Unit.

- New Training Class – Computer Basics - The Training Unit is offering a basic computer-use class for beginners! Intended for employees who have little to no experience using computers, students will leave this class having practiced how to:
  - Start up and shut down a computer
  - Properly use and understand the mouse and keyboard
  - Navigate the Windows Operating System and start Applications
  - Perform basic functions of file management
  - Perform basic functions in a word processor
  - Manage print settings and print documents
  - Receive and send emails
  - Use a web browser to navigate the internet

This 2.5 hour training class is fun and very interactive, but class size is limited. Classes are open to all shifts and will be scheduled based on interest. If this training opportunity would benefit you or one of your employees, contact the Training Unit at fstraining@utk.edu, or at 974-6247, to be placed on the Training Roster.

Training News:

- Don’t forget to complete your 2021 OSHA! Your 2021 OSHA Training can be accessed at any time at https://tennessee.csod.com/samldefault.aspx. Sign in with your NetID and password. Then, click on "Your Transcript" and "Launch" to load the training.

- External Training Completions - If you participate in any training not done through K@TE, make sure you let Training (Rebecca, Anna and/or Beth) know so they can give you proper credit for it. The university does recommend that you receive 32 hours of external training annually (HR 128). Last year, we had our highest number of staff hitting their goal for training hours, and while we don’t realistically expect the same numbers as last year, we do want to see our team continue to put time and effort into receiving training for their professional and personal growth.

- The 2021 Training Calendar is available online! Visit https://fs.utk.edu/comminfo/training/ to view upcoming training dates, times and information throughout the year. The calendar is located below the "Login for online training" link. Check back often as new events and opportunities are added often!
