## Changes to OSHA Training Deadlines

With the change of the calendar comes a new round of OSHA training! This year, Employee and Organizational Development is expecting a contract change to their safety training content provider as our contract with SkillSoft expires on 10/31/2023. We should know by July who the new content provider will be. With this in mind, we set the due date for OSHA training to 10/31 instead of the standard 12/31. People will see this deadline on their curriculum when they log into K@TE and might have questions.

## Applications Open for Bob Evans & John C. Parker Scholarships

On December 14, emails went out to all staff with instructions on how to apply for the Bob Evans and John C. Parker Scholarships. You have through January 31, 2023 to turn in applications. An application for each scholarship is included at the end of the newsletter. Print copies are available at Sam Ledford's desk.

## Message from Jim Tolbert

I have had several instances of people not returning their old uniforms after requesting a new size. So, to remedy the replacement costs being charged to the shops, I have changed the procedure. Going forward, all new sized uniform pieces will be delivered to me. Once I receive the old uniforms I will give them the new ones. The new procedure can be found at the end of this week's newsletter.

## Upcoming OPR Training Sessions

Upcoming Training: Beginning in early February, training sessions will be offered that contain a brief summary of the OPR Performance Review process (introduced to Facilities Services for the 2021 Review period), and a more detailed overview of the evaluation scale that we are now asking all supervisors to use. All supervisors are welcome, whether you are new to a supervisory position and are doing your first employee evaluations, or you are an old hand at the annual review but would like a better understanding of how our standardized rating system has changed.

Sessions are scheduled for:

Thu, Feb 2, 9 am  
Thu, Feb 2, 2:30 pm  
Tue, Feb 7, 9 am  
Thu, Feb 9, 5:00 pm  
Wed, Feb 22, 2:30pm

## Helpful Hints from the Haberdasher

### **Oh No My Uniforms Don't Fit Anymore!**

If your uniform no longer fits the exchange process is VERY easy, but involves a few steps to assure quick replacement.

- 1) **Bag-&-Tag ONE item (1 shirt or 1 pair of pants).** This means placing the item(s) in a clear bag with a yellow or orange tag that simply states the new size needed. For example: "Need 2X" or "Need 36x32"
- 2) Just slip the tag between the bag and the garment so it can be seen from the outside.
- 3) Place bag in the short Mending bin.
- 4) Send an email to me: [TheHaberdasher@utk.edu](mailto:TheHaberdasher@utk.edu) telling me what you did and the size you requested.
- 5) **The supplier will deliver the full amount of new sized uniform pieces to me.**
- 6) **I will email you and your supervisor/foreman the new size has been delivered.**
- 7) **I will hold onto the new pieces until I receive the old sets from you or your supervisor. Missing pieces will be charged to the shop and reported to your supervisor/foreman.**
- 8) You cannot keep the old sized uniforms! We rent the uniforms and are charged for all items not returned when someone changes sizes or leaves UT.
- 9) If you have ANY questions about uniforms please don't hesitate to contact me, Jim Tolbert, at 974-2347 or [TheHaberdasher@utk.edu](mailto:TheHaberdasher@utk.edu)
